

WHAT:

The Avance Project is offering free child development screenings given by trained professionals. Parents are also involved in the process.

WHO:

Children ages 0 to 5 living in the 93905 zip code and/or Alisal Union School District can participate.

WHERE:

Learn more or participate by contacting the Alisal Community Healthy Start Family Resource Center, 831-775-4517.

Avance Child Development Screening

Learn about...

- Your child's developmental stages.
- Strategies to encourage your child's development.
- How to make learning fun and easy for you and your child.
 - Ways to build confidence in your parenting.
 - How to build positive relationships with your child.
 - How to make your home a learning environment.
- Available resources in the community.

You will have an opportunity to ask questions or share concerns about your child's development.
